

Criteria for submission into the Animal Actors Agency

DOGS

ALL adult dogs must have reliable basic obedience. By this, we mean:

- Sit/Stay
- Down/Stay
- Stand/Stay
- Recall (come when called)
- Loose-leash walking or Heel
- Crate-Trained
- Nice Manners – no aggressive dogs please!

Please be honest in stating what behaviors your pet does reliably. By reliably, we mean that your pet performs the behavior every time you ask and can perform these tasks in areas other than your home. "Offered" behaviors such as "My dog dances around on her hind legs when I come home" do not count.

CATS

- Crate trained for traveling
- Can be held/handled by new people
- Exposure to different environments

We highly recommend clicker or buzzer training for cats to teach the basics such as sit/stays, down/stays and recalls.

OTHER

Please contact us for the submission criteria for animals other than domestic dogs and cats at info@animalactorsagency or (323) 665-9500.

PHOTO REQUIREMENTS

It is very important that we always have recent photos of your pet because our clients study them frequently. They expect the pet coming to their studio to look exactly like the picture they chose.

- We are sure you look wonderful with your pet but please the photograph should be of your pet only. Please send **clear, high quality pictures** (no Polaroid, high resolution if printing from computer) -neutral background- (in focus) **Neutral background means no people, furniture or cars etc.** Include photos of your pet performing a stand/stay, sit/stay, down/stay as well as photos of any other trained behaviors. Remember that a good photo can help land the job!
- PHOTOS NOT ACCEPTABLE ARE: Fuzzy, out of focus, low resolution or digital photo prints on plain paper. We will not accept any photos of pets in cluttered backgrounds or on beds/furniture "lounging". We DO accept photos on CD as long as they fit the requirements listed above.
